

Judge: \_\_\_\_\_

## Poster Presentation Rubric

Final Score:

50

Presenter: \_\_\_\_\_

### Communication:

**Oral:** How well did the presenter present their ideas? Were they using complete coherent sentences? Did they use subject appropriate terminology without relying on unnecessary jargon?

1      2      3      4      5      6      7      8      9      10

**Visual:** Was the poster clearly laid out and easy to follow? Were their plots and graphs presented in a clear and understandable way? Was the poster free of clutter and excessive content? Would it be easy to understand without having the presenter around?

1      2      3      4      5      6      7      8      9      10

**Comments:**

### Content:

**Research Material:** What was the significance of the presenter's research? Is this clearly explained by the presenter (i.e. where does this fit in with the current literature). Did they provide good motivation for the work conducted?

1      2      3      4      5      6      7      8      9      10

**Discussion/Conclusions:** Does the presenter draw logical conclusions from the results obtained? Have they clearly explained what the results truly mean? Do they get unnecessarily bogged down in data and numbers without providing meaning?

1      2      3      4      5      6      7      8      9      10

**Understanding/Questions:** Does the presenter appear to have a strong understanding of the subject area and research conducted? Are they able to frame their work within the bigger picture? Do they show a thorough knowledge of all of the work completed?

1      2      3      4      5      6      7      8      9      10
