

Virtual Physics Graduate Fair

Explore Graduate School Opportunities Across Canada

September 26 and 27*

Graduate Student Perspectives

What is graduate school really like?

Hear from current graduate students about their experiences with research, coursework, funding, and student life.

*September 26 and 27 will include the same presenters (1:00 pm ET-2:30 pm ET)

October 3 and 4*

University Showcase

Which graduate program is right for you?

Meet representatives from physics departments across Canada and learn about their programs, funding, and admissions.

*Each day will showcase different universities (1:00 pm ET-2:30 pm ET)

Online | Free to Attend

Contact Professor Matthew Robbins at matthew.robbins@utoronto.ca with any questions
